

Card Payments Mitigates Your Fraud Risk and Protects Your Consumers

Fraud happens. Breaches are not only harmful to their finances, they also put your reputation in question. Having a robust defense system to reduce fraud risk is critical to your bottom line. Your alert and management system needs to be sophisticated and intelligent, with strong behavioral analytics. Consumers will only stay where they feel safe.

Card Payments by Finastra (formerly D+H) has **proven results** in fighting fraud – 32% lower in gross fraud basis points than the industry average for U.S. Issuers and 35% lower than our peers. To find out more about how we can help reduce your fraud risk, please call 800-815-5592.

D+H has joined with Misys to become Finastra. For more information please visit our new [website](#).
