

We are embarking on some bold initiatives delivering innovation with our comprehensive lending solution Total Lending™ Powered by LaserPro®.

Finastra's Total Lending™ Powered by LaserPro® drives operational efficiency, optimizes performance and reduces exposure to risk while allowing for faster lending decisions. Make sure you stop by our booth #111 to see Total Lending in action.

If you want to learn the answers to building a solid foundation that delivers optimal efficiencies while improving your risk management, then you'll want to join Finastra Monday morning at 7:10 a.m. for our Breakfast Innovation Session, Laying the Foundation for a Strong Commercial Lending Program.

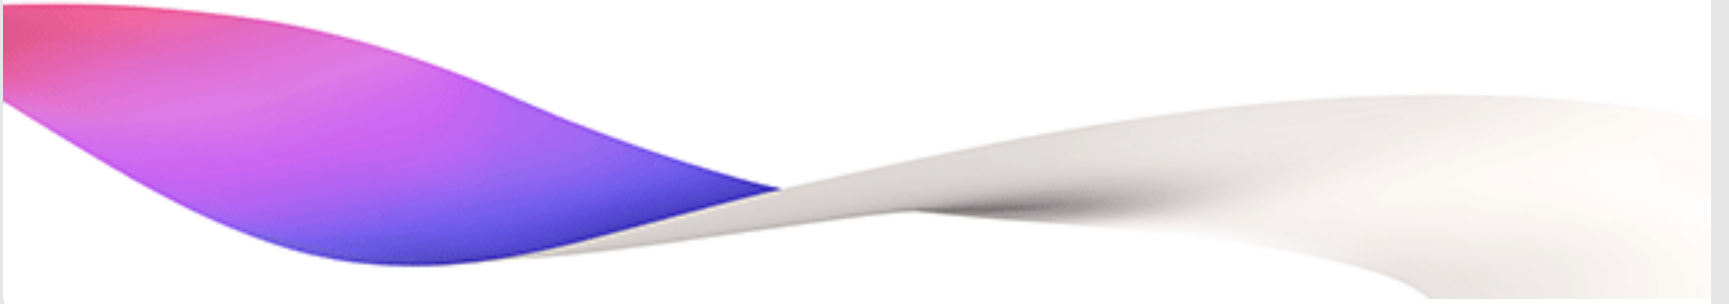

While you're waiting for the conference, take a look at our Market Commentary: Solid Foundations Lead to Successful Programs.
